How to receive notifications when new courses become available?

When new courses are made available, you will receive a notification in the app. If you dont, it is because the notifications in your mobile settings are not activated. This is done as follows:

1. Go to settings

2. Apps

3. Notice processing

4. Motimate

5. Allow notifications

Get acquainted with the app

Profile settings

In settings you can only change the language the available courses (if the courses are translated by the company who made them), not the app itself.

Explore

In Explore, you will find all courses that the AF Group has posted and that you can take if you wish. These courses are not mandatory in Consolvo, but can become a requirement when working on AF's projects.

Notifications

All relevant publications are made available in Notifications.

How to take a course in Motimate?

1. Click on Min trening

2. Courses that are not completed are without green tick. Click on the course you want to take. You can also take already completed courses again.

3. Courses have videos and sound clips that you must watch/listen to before you can continue.

4. When all mandatory courses are done your «Total score» will be 100%.
